

March 31st, 2020

I hope this email finds you and your family safe and well at this very difficult time.

As you know with the Coronavirus across the world, we have postponed our trip to the Philippines this May. This means that we have cancelled the up and coming Youth Summer Camp that was scheduled.

We would like to thank everyone for your generous donations toward the running of the camp. These funds will be kept here in Australia until we can reschedule.

As the Philippines is in lockdown at the present time, Destiny has sent some much-needed funds to the leaders who at this moment have gone to purchase some much need food for the families. Just like here in Australia many people have lost their jobs and have no means of providing for their families at this time.

Team Destiny in the Philippines are doing a remarkable job in handling things during this very trying time for everyone. We are also in contact with Anu in India to see how we can help the families there.

We have made the decision to close the op shop to the public at this time. We will come into the office from time to time until we get set up to work from home.

We would like to take this opportunity to say a big thank you for all your generous support to help those families who are less fortunate than we are.

Kind Regards

Roy, Sue, Mark and all the team at Destiny.
